PRE-APPROVAL FOR FINANCING

We offer financing through Link Federal Credit Union. If you would like to get preapproval for financing, please follow the steps below. Once the application is submitted, you will receive notification from Link within two hours during the hours of 8am-8pm. Applications submitted after 8pm will receive notification the next morning.

Please follow the steps below to complete the application.

- Go to <https://www.linkfcu.org/>.
- Click on Apply For Loans Here in the upper right of the screen.
- Sign in as a Non-member
- Click on Acquire Loan
- For the amount, enter \$10,000.00
This is not the amount you have to finance, they just need an amount entered here. They will tell you your credit limit when you receive notification of approval.
- For term, enter the number of payments you months you would like to have the loan for.
- For frequency, please select how often you wish to make payments.
- For joint application, please indicate whether or not this is a joint application.
- For Guarantor, please indicate whether or not you wish to have a Guarantor (co-signer) for this loan.
- In the box labeled purpose, please type Pre-approval for P&P Heating & Cooling.
- On the next page, enter all of the information requested.
- The last page is so that you may review all of the information you have entered.
- If it is all correct, click on Submit and you application has been sent to Link.

You must have an account with Link in order to get the financing. So Link will open an account for you that must have a \$5.00 minimum balance.
